BIOGRAPHY

Tanya Bishop is Senior Director, Sales & Client Relationships at Amundi. Based in Canada, she is responsible for acquiring new business opportunities and managing established and new institutional client relationships. Tanya is responsible for clients in Ontario and Eastern Canada.

Tanya has over 25 years of diverse investment experience in both consulting and asset management. Tanya joined Amundi from Aon, where she was a Senior Investment Consultant. She advised various client types on manager performance, manager selection and strategic asset mix based on long-term capital market assumptions, asset-liability modeling, and portfolio optimization. Prior to Aon, Tanya worked at Scotia Bank in various Client Service and Portfolio Management positions, most recently as Director and Portfolio Manager. In that position, she served as Portfolio Manager of Managed Assets and strategically introduced new mandates to the platform and launched an international separate managed account program. She also served as Associate Portfolio Manager at Scotia Institutional Asset Management where she was responsible for sales and service of institutional clients across North America.

Tanya holds a B.Sc. in Psychology from University of Toronto, in Toronto, ON. She holds a Chartered Investment Manager (CIM®) designation. She is also an active member of VersaFi (formerly Women in Capital Markets) and CFA Society Toronto.
